(33) Rs. 200 by transfer from "32—Industries—Transferred—C—Other chargs—Grant-in-aid" to "19—Eudcation—(4)—Secondary Girls—Ordinary grants"

Rao Sahib I. N. Menon *(Director of Public Instruction):* Sir, I request that the House will be pleased to allow the transfer a sum of Rs. 200 from "32—Industries" to "19—Education." This transfer has been made necessary by the transfer of a section of the R.L.V.L.S. Girls School at Trippunittura from the control of the Industries Department to the Department of Education. This transfer is made to facilitate supervision, because the rest of the school is under my charge, and in order that I may have a sort of unified control, it is proposed that the rest of the school also is transferred to my supervision. The amount was provided in the Industries Budget, but now it has to be transferred. I request that the sum which has been provided in the Industries Department may be transferred to me.
